om

I bow to the lotus feet of our great teachers, who uncovers our true self and awakens happiness

Like a Shaman in the Jungle he brings total complete well-being.

He can even heal the most awful poison of conditioning and illusion.

The upper body of human shape, carrying a mussel horn (original tone), a discus (infinity) and a sword (power of differentiation) having 1000 bright heads, I bow to Patanjali.

May the well-being of all people be protected By the powerful and mighty leaders be with law and justice.

May good success be with all cows (divinity) and scholars May all (samastah) the worlds (lokha) become (bhavantu) happy (sukhino).

Om peace, peace, peace
